Dear Sir:

Your name was given me a short time ago by Mr. J. G. Wetzlar as being very much interested in the modern Mexican coinage, especially the Revolutionary pieces. This organization has been an especial effort to get as complete a series of these Revolutionary coins as possible, and if you are interested in this subject, I can send you a list of what we have, in order that we may possibly be able to get other pieces and further information on this subject.

I beg to remain,

Very truly yours,

Curator.
